UNDERGRADUATE ADVISING

STATEMENT OF PHILOSOPHY

The University of Memphis is committed to quality academic advising that fosters student growth and development. The main elements of quality advising consist of promoting the understanding of the aims and purposes of higher education; providing information and resources about the University's programs, opportunities, and requirements; and assisting students in identifying their educational and career goals.

The academic advising process involves many segments of the University community including students, faculty members, professional advisors, counselors, administrative staff, and student peers. Advisors and advisees should seek to integrate the services and expertise of both academic and student affairs professionals.

REGISTRATION CLEARANCE

Most degree seeking students at The University of Memphis must obtain advisor clearance for participation in STRIPES (telephone) registration. Students should contact the appropriate advising area to set up an appointment **well in advance of** their assigned day for registration. Registration clearance information will be included on continuing students' Invitation to Register mailed prior to Regular Registration and with acceptance letters from Admissions for new students. While non-degree seeking students are not required to have advisor clearance, those considering future degree seeking status are encouraged to seek advising.

The following students must receive registration clearance from an advisor prior to participation in STRIPES: (1) first time freshmen and transfer students, (2) students on academic probation, (3) students receiving veterans' benefits, (4) students who have not enrolled in required Transitional Academic Studies courses, and (5) participants in varsity sports.

Students must see their advisor to get registration clearance. Call for an appointment.

STUDENTS WITH DECLARED MAJORS

Individual colleges and departments will inform students of advising guidelines and registration clearance requirements unique to their programs. The general guidelines for each college are as follows:

College of Arts and Sciences - Students should contact their advisor in the department of their major for registration clearance.

Students who are inappropriately registered for TEP upper division courses will be administratively dropped during the first week of classes.

It is the student's responsibility to obtain initial advising and then to follow the prescribed degree program sheet given at that advising session. Any student who needs or desires additional or updated advice should meet with his/her faculty mentor well in advance of the registration dates. If the mentor is unavailable, the student should contact the departmental office. If program changes occur that could result in alterations in degree requirements, student registration clearance flags will be reset to disallow student registration without seeing an advisor.

STUDENT FINANCIAL AID

I. Financial Aid for the Fall semester

A. Current aid applicants - you have previously completed the 1998-99 FAFSA:

1. Register for at least half-time credit hours, 6 for undergraduate and law, and 5 for graduate.
2. If you know the amount of Direct Loan you would like to borrow, or if your parents are interested in a Parent Loan (PLUS), complete the 1998-99 Loan Request Form on the next page of this class schedule.
3. All 1998-99 awards are subject to a review of your academic record at the end of the spring semester.

B. New applicants for 1998-99.

1. You must be ACCEPTED or currently enrolled in a degree-program. If you are in a conditional, special admission, or non-degree status, you are not eligible for financial aid.
2. Complete the 1998-99 Free Application for Federal Student Assistance (FAFSA) and mail in the envelope provided. Be sure to list The University of Memphis (Title IV code 003509) in Section H of the FAFSA.
3. When your FAFSA is processed, a Student Aid Report (SAR) will be sent to you. Immediately review the SAR for accuracy. If corrections are required, make them on part 2 and submit the corrected SAR to the U of M Student Financial Aid Office. You may be required to submit additional documents before an award can be made.
4. If you know the amount of Direct Loan you would like to borrow, or if your parents are interested in a Parent Loan (PLUS), complete the 1998-99 Loan Request Form on the next page of this class schedule.

C. Awarding and Disbursing

1. When all required documents have been received, you will receive a Financial Aid Notification (Award Letter) which you should complete, sign, and return as soon as possible. Your awards will then be finalized.
2. If your award includes a Direct Loan, you will be contacted about signing a promissory note. Federal regulations require that the loan be divided into two disbursements. Once you sign the note, the first half of the loan will be disbursed the beginning of the term and the second half the middle of the term.
3. Federal regulations require that the first loan disbursement to first-time freshmen be held for 30 days.
4. When financial aid is disbursed, university charges are deducted before any remaining balance is given to you. Refer to the Fee Payment section of this schedule.

D. Satisfactory Academic Progress- students applying for or receiving financial aid must meet the following academic standards:

1. Meet the cumulative GPA requirements for undergraduates of a 1.65 once you have earned 24 credits and receive grants or work, or a 2.0 once you have earned 55 credits or receive loans. The graduate GPA requirement is a 3.0 cumulative.
2. Do not completely withdraw from two terms.
3. Complete your undergraduate degree once you have attempted 198 credit hours.
4. Do not receive all "F" grades for a term.
5. Complete a minimum of 66% of all U of M credit hours attempted.

Federal Direct Loan Request • 1998-99

Fall 1998, *Spring* 1999, *Summer* 1999

What is a Federal Direct Loan?

The Federal Direct Loan Program is a cooperative effort between the federal government and educational institutions.

- The federal government provides the loan funds.
- Schools determine the loan amount and interest subsidy, confirm eligibility, and determine the loan period.

Direct Loan provides funds to help you meet your educational expenses. However, unlike gift aid, loans must be repaid. Federal Direct Loans are offered in two forms; subsidized and unsubsidized.

- ***Subsidized:*** You will not be charged any interest while you're in school (as long as you remain at least a half-time student) and during grace or deferment periods. The federal government "subsidizes" the interest during these periods. Your interest begins to accrue and repayment of the principal begins six months after enrollment in an educational institution ceases.

- ***Unsubsidized:*** You are responsible for your interest. Your interest accrues within sixty days of disbursement and may either be paid while you are in school or capitalized and added to the principal loan amount borrowed. As with subsidized loans, principal repayment begins six months after enrollments in an educational institution ceases.

ACADEMIC YEAR LOAN LIMITS

	Base Loan Sub/Unsub	*Extended Loan Unsub only **	*Total Loan*

There are aggregate loan limits, in addition to annual loan limits. Students may never borrow more than the aggregate loan limit for all subsidized and unsubsidized loans at The University of Memphis and other schools.

AGGREGATE LOAN LIMITS

	Base	*Base plus Extended*
Undergraduate	$23,000	$ 46,000
Graduate	$65,500	$138,500

Every Federal Direct Loan period is required to have two disbursements:

The beginning and mid-point of the term for one-term loans, or the start of each term for two term loans.

New freshmen borrowers receive their first disbursement after attending class for 30 days.

If you do not need to borrow the maximum amount, you can choose to borrow less.

In deciding the appropriate amount, you should follow these steps.

1. What are your costs for an academic year? Add your costs together for tuition / fees, room and board, books and supplies, transportation and personal expenses.

2. Subtact your resources from these costs. Consider all aid and private scholarships you have received as well as money from savings and your family.

3. Decide if you **need** to borrow. Before you borrow funds, are there other resources available to you? Review your expenses to see if you can reduce your costs.

4. Consult the repayment chart below. What will be the monthly payments be if you borrow this amount? Remember to consider what you may borrow in future years.

5. Select the amount that you can manage to repay. What you borrow today, must be repaid, with interest, in the future. Re member to be as conservative as possible when borrowing funds.

REPAYMENT CHART

Your educational borrowing will have an effect on your future life-style. You need to be aware of what your monthly loan payments will be **before** you commit to that loan amount. Your loan repayment period will not exceed ten years and will require a minimum monthly payment of $50.00. Based on an 8% interest rate, you can expect to make these payments for ten years. Each time you borrow, review the sample loan repayment chart below.

Total Borrowed	Monthly Payment
$ 5,000	$ 61.00
$ 10,000	$ 123.00
$ 30,000	$ 368.00
$ 50,000	$ 613.00
$100,000	$1,227.00

See the other side for the Direct Loan Request Form.

If you **do not** complete and return this form, you will be **offered** the maximum amount of subsidized and unsubsidized loan for which you are eligible. Only use this form if you want to borrow **less** than maximum, **or** you do not want to borrow an unsubsidized loan (interest on unsubsidized loans accrues while you are in school and during your six month grace period).

CLASS ATTENDANCE

Class attendance may be used in computing grades at the discretion of the instructor. If attendance is to be used, a complete written statement of the instructor's policy detailing the weight of attendance in determining the final grade must be presented to all students present at the first and second meetings of the class.

Initial Attendance: Faculty will report to the Office of the Registrar all students who have not attended any class meetings during the **first two weeks** of classes (fall/spring) or the **first week** of classes (summer). These students will be notified that they are being administratively withdrawn from each class never attended.

A student who is absent from the final examination without the permission of the teacher incurs a grade of F on the examination and may, depending on the weight of the examination in determining the final grade, incur a grade of F for the course.

Students who receive VA benefits or Title IV funds for enrollment fees are subject to cancellation of future awards and immediate repayment of these benefits if they stop attending whether or not they officially withdraw or drop a course. The last known date of attendance will be reported by the instructor as the "unofficial withdrawal date". Students who stop attending will be assigned a grade of "F" in courses which do not reflect an official withdrawal.

CLASS CANCELLATION and INCLEMENT WEATHER POLICY

In the event that inclement weather requires the cancellation of classes and/or campus activities, local radio and television news media will be immediately notified for dissemination as they deem appropriate. Such closing decisions will also be given to University vice presidents for dissemination through the notification system in place for each division. Cancellations will not apply to administrative offices. Each faculty and staff member and each student is expected to recognize that inclement weather creates conditions more dangerous than normal. Therefore, each person is expected to exercise a high degree of care to avoid accidents. All non-teaching employees who do not report to work during inclement weather will be considered in an annual leave or leave without pay status for the period of their absence. (University Procedure 2A:16:01A)

COURSE LOAD LIMITATIONS - MAXIMUM NUMBER OF HOURS WITHOUT DEAN'S APPROVAL

COURSE LOAD LIMITATIONS

UNDERGRADUATE	GRADUATE
20.5	15

Students must have approval from the appropriate official in their degree granting college for hours in excess of the maximum (concurrent enrollment at other colleges is included). Requests for course overload approval should be made well in advance of the student's registration window of time.

CREDIT/NO CREDIT

Undergraduate students who have a 3.0 average and 60 semester hours, with permission of the dean of their college, may elect to take some courses on a credit/no credit basis. Interested students should pick up the Permission of Department Permit Form from the department, obtain the appropriate signatures (including their academic advisor and dean) and bring the

Permission of Department Permit to Student Information Services, 119 Administration Building.

DISABLED AUDIT or CREDIT REGISTRATION
Tennessee residents who have a permanent and total disability which totally incapacitates them from working at an income producing occupation, may **AUDIT** courses without paying tuition charges, maintenance fees, student activity fees, or registration fees. They may enroll in courses for **CREDIT** at the cost of one-half the normal per credit hour fee, not to exceed $75.00 per semester. Enrollment for audit or credit will be limited according to space availability. **Students must contact Registration Services (678-2676) as soon as they enroll to obtain tuition reduction.**

Applicants for this program must present medical information to University Health Services documenting a permanent and total disability that totally incapacitates them from working at an occupation for an income. The University physician examines the documentation and determines eligibility. If the applicant is eligible for State Vocational Rehabilitation Services, which by their nature and definition are designed for individuals who have potential for employment, the applicant would not be eligible for the free audit or reduced fee benefit. Eligibility for this program applies only from the time of approval by the University physician and is not retroactive.

Direct all inquiries regarding this program to Registration Services, 115 Administration Building, 678-2676.

GRADE REPORTS
A grade report is mailed to the permanent address of each student at the end of the semester. The grade report will show the grade received, credit hours earned, quality points earned, semester grade point average, cumulative hours attempted, cumulative hours earned, and overall grade point average.

Withholding of Grade Reports
The University is required by State law to withhold grade reports, transcripts, and diplomas from students who have outstanding financial obligations to the University. When financial obligations have been resolved, students may obtain their grade reports in Student Information Services, 119 Administration Building or by calling 678-2671 to have grades mailed. In person release of grade reports requires photo identification prior to release of grade reports.

PRIVACY RIGHTS OF PARENTS & STUDENTS - NOTICE TO STUDENTS

The University of Memphis intends to comply fully with the Family Education Right and Privacy Act of 1974 and its subsequent amendments. A complete copy of the University Procedure 2E:30:01A may be obtained in the Office of the Registrar.

Directory Information
"Directory Information" is defined as: the student's name, address, telephone listing, e-mail address, major field of study, date and place of birth, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous education agency or institution attended by the student, the student's enrollment status (number of enrolled hours, full-time or part-time status), and the student's classification (level).

Restricted Release of Directory Information
After a student registers for courses, the student may personally complete a written request in Student Information Services (119 Administration Building) that directory information for that student not be released. Such information will then be withheld if the form is completed by the 14th day of classes.

Access to Records
To gain access, the student must request the custodian of the records to allow perusal of the education record according to the University Procedure for Student Records Access, which contains a list of the custodians of the records. A student must present proper identification in support of his/her request. Parents of dependent students as defined in the Internal Revenue Code Section 152 may obtain access to a dependent student's record after presenting appropriate documentation.

Review, Amend, Consent To Release Records
Parents and eligible students have the right to review education records, request amendments to the record, file a complaint related to the University's compliance with the requirements of the Family Educational Rights and Privacy Act (FERPA), and provide consent for release of personally identifiable information according to University Procedure 2E:30:01A. Release of personally identifiable student education records (other than directory information) is not permitted without written consent of the student to any party other than those specified by FERPA (e.g., the University does release education records to officials of other schools in which the student seeks or intends to enroll).

PROBATION/SUSPENSION - UNDERGRADUATE

ACADEMIC STATUS AND RETENTION
Students will be notified of their academic status at the end of each semester through their official grade report. Students who do not receive their grade reports in the mail may pick up a copy of their grades in 119 Administration Building.
A complete statement of the University's academic status and retention policy may be found in the Bulletin. Specific questions concerning academic probation/

suspension should be directed to the Academic Status Office, 117 Administration Building, 678-2393.

Regardless of academic status, students will be allowed to register for classes for the following term. However, students whose grades result in an academic suspension will be automatically withdrawn from the University before classes begin. If the grade report indicates suspension, a student is required to remain out of the University the following semester. If the suspension occurs at the end of spring semester, the student must remain out of the University the summer session and following fall semester.

TRANSITIONAL ACADEMIC STUDIES

Students will be notified of their academic status at the end of each semester through their grade report. Students whose grades result in an academic suspension will be automatically withdrawn from the University before classes begin for the next semester. If the grade report indicates TRAC suspension, the required time out of the University prior to readmission is one semester. Students may appeal the suspension. TRAC suspension questions should be directed to Transitional Academic Studies Office, 203 Administration Building, 678-2028.

REPETITION OF COURSES

A student may not attempt the same course more than three times for the purpose of obtaining a passing grade or higher grade. Exceptions to this limitation may be made by the dean of the college from which the student intends to graduate. These exceptions must be approved prior to the student's registration for the fourth and any subsequent attempts of the same course. The student's grade point average will be computed as follows:

Number of Attempts	Grade(s) Included In Computation
1st	Original grade earned
2nd	Only grade in 2nd attempt
3rd and subsequent	Grade earned in 2nd and subsequent attempts calculated in grade point average

The record will continue to reflect all grades earned in the same course.

SENIOR CITIZEN AUDIT / CREDIT REGISTRATION

Persons who will become sixty (60) years of age during the academic semester in which they begin classes, and who are domiciled in Tennessee, may **AUDIT** courses without paying tuition charges, maintenance fees, student activity fees, or registration fees. Permission to AUDIT will be limited according to space availability.

Persons who will become sixty-five (65) years of age prior to or during the academic semester in which they begin classes and who are domiciled in Tennessee, may enroll in courses for **CREDIT** at the cost of one-half the normal per credit hour fee, not to exceed $75.00 per semester. **Students must contact Registration Services (678-2676) as soon as they enroll to obtain tuition reduction.**

Direct all inquiries regarding these programs to Registration Services, 115 Administration Building, 678-2676.

STUDENTS WITH DISABILITIES

Eligible students with disabilities may register prior to their assigned time so adequate plans can be made for disability related needs and academic accommodations. The Office of Student Disability Services (SDS) mails detailed early registration instructions to students registered with their office. Other students with disabilities are encouraged to contact the SDS office for eligibility information.

Telephone registration is available from any touch-tone telephone. Students who are unable to register by telephone may go to Student Information Services, 119 Administration Building, for personal registration assistance. Students must comply with the advising procedures established by their college and/or department before registering.

For further information, please contact Student Disability Services, 215 Scates Hall, 678-2880 (Voice and TDD).

TRANSCRIPT REQUESTS

The University of Memphis requires written authorization from the student to release transcripts. Transcripts may be requested in person (143 Administration Building), by mail, or by FAX (901) 678-3249. Include the following information with your request: complete name, former names, Social Security Number, birth date, current address, first and last years of attendance, address(es) where transcript is to be mailed, number of copies to each address. **Sign and date your request.** There is no fee for transcripts; however, no transcript will be released if student has outstanding obligations to the University. If you have additional questions, please contact Transcripts Office at (901) 678-3927.

TRANSFER CREDIT/U of M STUDENTS

After admission to The University of Memphis as a regular undergraduate, students must consult with their advisor and the Undergraduate Admissions Office if they anticipate enrolling at another college or university for the purpose of transferring credit to The University of Memphis. A Transfer Credit Request form must be completed. For completed additional undergraduate course work to be transferred from another university, the student must request that an evaluation be completed by Undergraduate Admissions, 678-2111. For information about the transfer of graduate credit contact The Graduate School, 317 Administration Building, 678-2531.

WITHDRAWAL PROCEDURES

Students who register and are unable to attend the semester must formally process a withdrawal prior to the first day of classes to avoid having an academic record (official term grades recorded). Failure to officially withdraw will result in grades of "F" for the courses in which the student is enrolled. Courses dropped after the last day to add will be graded "W" (for withdrawn).

Withdrawals from Monday, March 30, 1998 through Tuesday, October 20, 1998
Students must withdraw by using STRIPES 321-7000 (telephone registration). Students must know their PIN as well as the 5-digit call number of each enrolled course.

Withdrawals Beginning Wednesday, October 21, 1998
Students who wish to WITHDRAW (drop all classes) beginning October 21, 1998 must obtain special permission from the appropriate college representative. Procedures for approval differ among colleges.

- Undergraduate students contact the dean of their college for specific instructions.
- Graduate students contact their Director of Graduate Studies for specific instructions.

If approval is obtained, the student must bring their signed approval form to Student Information Services, 119 Administration Building for processing.
Withdrawal and refund deadlines are stated in the Semester Calendar.

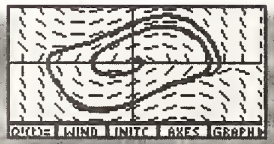
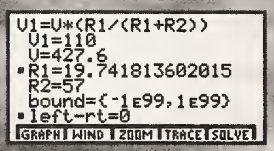
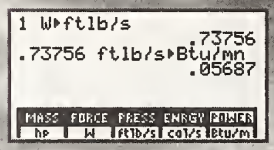
Class Act. The TI-86 for Engineering courses.



New functionality in DE mode: slope and direction fields, lists of initial conditions, and much more.

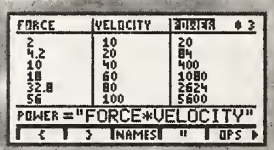
Solve equations interactively for different variables. Great for "what ifs."





Convert a value in one unit into its equivalent in another unit of measure.

Many new list features: view, edit several lists at once, attach formulas for automatic computation, and more.



Here's all the power and functionality of the popular TI-85 with major enhancements for engineering, science, and college mathematics.

Here's more problem-solving power for everything from precalculus to differential equations and a whole lot more.

And, like all our advanced instructional tools for the classroom, the TI-86 is backed by the industry's leading support program.

Look for the TI-86 at your campus bookstore or favorite retailer where TI calculators are sold.

TEXAS INSTRUMENTS

MISCELLANEOUS INFORMATION

EXPOSURE TO HAZARDOUS CHEMICALS AND RADIOACTIVE MATERIALS

During the course of the semester, some classes and laboratories may use hazardous chemicals, radioactive materials or radiation producing equipment.

Prior to enrolling for classes each semester The University of Memphis recommends that students with health concerns or conditions seek private medical advice about the appropriateness for them to enroll in classes and laboratories using hazardous chemicals, radioactive materials or radiation producing equipment. The state of the art at this time is not sufficient to provide complete information about all possible side effects and health hazards, known and unknown which could develop from the exposure to and use of such hazardous chemicals, radioactive materials and radiation producing equipment.

During regular University business hours Material Safety Data Sheets (MSDS) for hazardous chemicals are available for review through the office of the chair of the department in which such chemicals are used. MSDS are also available for review at the office of the Radiation Safety Officer, 110 Brister Tower. Information about exposure from radioactive materials and radiation producing equipment may be obtained from the Radiation Safety Officer.

VA EDUCATIONAL BENEFITS

IT IS THE STUDENT'S RESPONSIBILITY TO BE AWARE OF AND FULFILL ALL REQUIREMENTS FOR RECEIPT OF GI BILL BENEFITS.

Any student using VA Educational Benefits Assistance (GI Bill Benefits) at The University of Memphis should contact the Office of Veteran's Services (119 Administration Building 678-2996). New students should be prepared to furnish the following items as needed: a VA copy of their DD 214 (Certificate Of Release Or Discharge From Active Duty), DD 2384 (Notice Of Basic Eligibility), or other armed forces separation papers, a copy of their Delayed Enlistment Contract, copies of their children's birth certificates, a copy of a divorce decree if either vet or spouse was previously married, their VA file number if benefits have been used previously, and a transcript from any college or university previously attended.

The VA places restrictions on those receiving veteran's educational benefits. Some of these restrictions include regular class attendance, satisfactory academic progress, and adherence to a specific degree program. The VA will not pay for repeated courses if the grade already earned is acceptable for graduation requirements and major objectives at this University (this includes transfer credit), or for elective courses in excess of those needed to meet graduation requirements.

Certification Reminders

(1) Register with the Office of Veterans Services every semester by completing a Veterans Request for Certification Form.
(2) Report credit allowed for prior training in cooperation with your advisor by completing a "Request for Evaluation of Prior Credit" form. These forms are available from the Office of Veterans Services.
(3) Inform the Office of Veterans Services of any changes in major or degree pursued, address, marital status, or number of dependents claimed.
(4) After registering, report to the Office of Veterans Services immediately all changes in class schedules including adds, drops, section changes, canceled courses, and withdrawals.
(5) Obtain a degree posting sheet/formal degree plan from your advisor, and furnish a copy to the Office of Veterans Services, as well as keeping a copy for your personal files.

For more information on eligibility requirements, monthly pay rates, and other services available, contact the Office of Veterans Services.

HARASSMENT POLICY

Policy

It is against University policy to harass or to discriminate against any member of the University Community on the basis of sex or race. Such actions are prohibited not only by University Policy, but also by Title VII of the Civil Rights Act of 1964 as amended, and Title IX of the Educational Amendments of 1972. Violation of these Acts may subject the University and/or individuals to disciplinary action and may have legal consequences.

Harassment is reprehensible and will not be tolerated by the University. It subverts the mission of the University and threatens the careers, educational experience, and well being of students, faculty and staff. Incidents involving sexual harassment or racial harassment have no place within the University. In both obvious and subtle ways, even a suggestion of sexual or racial harassment is destructive to individual students, faculty, staff, and the academic community as a whole. When, through fear or reprisal, a student, staff member, or faculty member submits or is pressured to submit to unwanted sexual attention, the University's ability to carry out its mission is undermined.

Sexual harassment is especially serious when it threatens relationships between teacher and student or supervisor and subordinate. In such situations, sexual harassment exploits unfairly the power inherent in a faculty member or supervisor's position. Through grades, wage increases, recommendations for graduate study, promotion, and the like, a teacher or supervisor can have a decisive influence on a student's, staff member's or faculty member's career at the University and beyond.

While sexual harassment most often takes place in situations of a power differential between the persons involved, the University also recognizes that sexual harassment may occur between persons of the same University status. The University will not tolerate behavior between or among members of the University community that creates an unacceptable work or educational environment.

A. Sexual harassment is defined as unwelcome sexual advances, request for sexual favors and other verbal or physical conduct of a sexual nature when one of the following criteria is met:
   1. submission to such conduct is made either explicitly or implicitly a term or condition of the individual's employment or of the individual's status in a program, course or activity; or
   2. submission to or rejection of such conduct by an individual is used as a basis for employment decisions, a criterion for evaluation, or a basis for academic or other decisions affecting such individual; or
   3. such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or educational experience or creating an intimidating, hostile, or offensive work or educational environment.

B. Sexual harassment encompasses any sexual attention that is unwanted and can take many forms, but most sexual harassment falls into three categories: verbal, visual, and physical. The examples listed above are not exclusive, but simply represent types of conduct that may constitute sexual harassment. Some examples of behavior or conduct that may constitute sexual harassment include, but are not limited to:
   1. refusing to hire, promote, or granting or denying certain privileges because of acceptance or rejection of sexual advances
   2. promising a work-related benefit or a grade in return for sexual favors
   3. suggestive or inappropriate communications, e-mail, notes, letters, or other written materials displaying objects or pictures which are sexual in nature that would create hostile or offensive work or living environments
   4. sexual innuendoes, comments, and remarks about a person's clothing, body or activities

5. suggestive or insulting sounds
6. whistling in a suggestive manner
7. humor and jokes about sex that denigrate men or women
8. sexual propositions, invitations, or pressure for sexual activity
9. implied or overt sexual threats
10. suggestive or obscene gestures
11. patting, pinching, and other inappropriate touching
12. unnecessary touching or brushing against the body
13. attempted or actual kissing or fondling
14. coerced sexual intercourse
15. sexual assault

Whether the alleged conduct constitutes sexual harassment depends upon the record as a whole and the totality of the circumstances, such as the nature of sexual advances in the context within which the alleged incident occurred. Please note that sexual assaults may be criminal acts and as such, investigation and processing by the criminal justice system, local police, campus security, and crisis intervention centers may supersede the process developed under this Guideline.

C. Consensual Relationships - Intimate relationships between supervisors and their subordinates, and between faculty members and students are discouraged since such relationships could lead to undue favoritism or the perception of undue favoritism. Such relationships are improper when they influence or could reasonably be expected to influence decisions or actions in University-related matters.

D. Generally, racial harassment is defined as any person's conduct which unreasonably interferes with an employee's or student's status or performance by creating an intimidating, hostile, or offensive working or educational environment. Harassment on the basis of race, color, or national origin, includes offensive or demeaning treatment of an individual, where such treatment is based typically on prejudiced stereotypes of a group to which that individual may belong. It includes, but is not limited to, objectionable epithets, threatened or actual physical harm or abuse, or other intimidating or insulting conduct directed against the individual because of his/her race, color, or national origin. Title VII requires employers to take prompt action to prevent individuals from expressing their opinions in a way that abuses or offends their coworkers.

The University seeks to encourage the prompt reporting of such harassment and its prompt resolution through University procedures. Where the charge of harassment is by one student against another student, the Assistant Dean of Students for Judicial Affairs, 105 University Center, will investigate and resolve the complaint in accordance with appropriate student procedures. Other charges, not relating to complaints against students, should be directed to the University Affirmative Action Officer, 156 Administration Building, for investigation and recommendations to the President and will follow guidelines set forth in University Procedure 2A:12:04A.

In addition, the University will take steps towards and encourage the development of programs aimed at informing students and employees of their rights to be free from sexual harassment and the procedures available for reporting. Programs will also be developed and aimed at preventing harassment.

Procedure

The purpose of this procedure is to provide a clearly defined means of reporting and investigating the complaints of students, faculty, and staff where they believe they have encountered harassment as defined by the University policy. The final resolution of such complaints and the imposition of any appropriate sanctioning will be governed by existing University procedures as stated herein.

The President has assigned the University Equal Employment/ Affirmative Action Compliance Officer the responsibility of investigating any complaint related to this procedure. The responsibility of investigating complaints against students has been assigned to the Assistant Dean for Judicial Affairs in accordance with appropriate student disciplinary procedures.

Since harassment based on race, sex, or any other factor has been defined as discriminatory in nature, the following will be implemented for the reporting of harassment:

A. Complaint by faculty member or staff against student - Procedure: Complaint to Assistant Dean of Students for Judicial Affairs for investigation and disposition.

B. Complaint by student against faculty member or staff; faculty member against staff; faculty member against faculty member or supervisor; or staff against faculty member, staff, supervisor or outside University contracting agency - Procedure: Complaint to University Affirmative Action Officer for investigation and possible disciplinary action by the President.

Procedures

The following procedures are intended to protect the rights of the aggrieved party as well as the party against whom an allegation of harassment is lodged, as required by state and federal laws. Each allegation will be properly investigated and, when warranted, appropriate disciplinary action taken against the individual charged.

In situations that require immediate action, because of safety or other concerns, the institution can take any disciplinary action that is appropriate, e.g., suspension with pay, pending the outcome of the investigation by the EEO/AA Officer or Assistant Dean of Judicial Affairs. The University Affirmative Action Officer and the President should be contacted in situations requiring immediate action. The TBR Office of General Counsel will be contacted before any immediate action is taken and prior to any investigation.

A. Investigation

1. Any student, applicant for employment or employee who believes he or she has been subjected to harassment at The University of Memphis shall present the allegation to the designated EEO/AA Officer or Assistant Dean for Judicial Affairs responsible for compliance with Title VII of the Civil Rights Act of 1964 or Title IX of the Education Amendments of 1972.
2. Every attempt will be made to get the aggrieved party to provide the charge in writing. The allegation shall include the circumstances giving rise to the allegations, the date of the alleged occurrences, and names of witnesses, if any. The allegation shall be signed by the aggrieved individual. However, where the aggrieved individual refuses to provide or sign a written charge, the allegation will still be investigated, and recommend to the President appropriate action. Allegations made anonymously or by a third party must also be investigated to the extent possible. Based on the findings of this investigation, the EEO/AA Officer may recommend to the President appropriate action that may or may not be the steps outlined in the remaining paragraphs of this guideline.

   If there is insufficient evidence to corroborate the allegation(s) or, in any situation in which the alleged victim refuses to cooperate in the investigation, it may be appropriate to discuss the allegation with the alleged harasser, informing him or her that s/he is not being accused of a P-080 violation, but that the conduct alleged could be found to violate this guideline. Any investigation and subsequent discussion should be documented and a report submitted as set forth in this procedure.
3. The Office of General Counsel shall be notified of the allegation, whether written or verbal, as soon as possible after it is brought to the attention of the EEO/AA Officer or Assistant Dean for Judicial Affairs and the investigation will be under the direction of the General Counsel. On campus legal assistance shall be forwarded a notice of the allegation.

   Where a student is the party against whom a complaint is made, all documentation shall be subject to the provisions and protections of the Family Educational Records and Privacy Act (FERPA).

4. The EEO/AA Officer or Assistant Dean for Judicial Affairs shall notify in writing the alleged harasser within five (5) working days of receipt of the allegation. The alleged harasser shall respond in writing to the allegation within five (5) working days of notification.

The alleged harasser should be notified that any retaliation against the accuser is strictly prohibited regardless of the outcome of the P-080 investigation and may, in itself, be grounds for disciplinary action.

5. The EEO/AA Officer or Assistant Dean for Judicial Affairs may meet with both parties for the purpose of resolving the charge informally. If informal resolution is successful in resolving the complaint, a report of such, having first been reviewed and approved by the Office of General Counsel, shall be submitted to the President.
6. A report shall be submitted to the President and the parties within twenty (20) working days following receipt of the allegation. Each report shall outline the basis of the allegation, including the dates of the alleged occurrences, the response of the alleged harasser, the findings of the EEO/AA Officer or Assistant Dean for Judicial Affairs and all attempts to resolve the allegation informally and recommendations regarding disposition of the allegation. If following an investigation the EEO/AA Officer or Assistant Dean for Judicial Affairs finds there is no substantial evidence to support the charge, the parties shall be so advised in writing.
7. The President shall review the report and make a final determination as to whether a violation has occurred and, if so, what the appropriate resolution should be.

   If the investigation reveals evidence to support the allegation, the President may meet with the charged party and/or the aggrieved party and attempt to resolve the problem by agreement. Appropriate steps must be taken to ensure that the harassment will not reoccur. The charged party shall be advised of his/her right to a hearing pursuant to the procedures set forth below. An alleged harasser may request a hearing within ten (10) days following receipt of the report.

B. Hearing

1. If the charged party requests a hearing, he or she shall be advised of hearing procedures available under Board of Regents Policy No. 1:06:00:05, Uniform Procedures for Cases Subject to Tennessee Uniform Administrative Procedures Act, and of the established The University of Memphis procedures available for resolution of the matter in question. The party requesting a hearing shall be given the opportunity to elect the procedures pursuant to which the matter shall be heard.
2. When an individual elects to proceed under the established The University of Memphis procedures for resolution of the matter, the election should be in writing and signed by the individual making the election and should expressly waive the procedures available under the TUAPA as to the matter in question. When a party elects to proceed pursuant to established institutional procedures, these procedures shall include the following minimal requirements:
   a. Notice of the charge to the party or parties.
   b. The right of the party or parties to present his or her case.
   c. The right to be accompanied by an advisor.
   d. The right to call witnesses in his or her behalf.
   e. The right to confront witnesses against him or her.

   In addition, in any case where the President makes a decision which is adverse to the charge or claim of either party, the President shall advise the person of any right of appeal provided by TBR policy.
3. Individuals electing to proceed under the TUAPA shall be referred to the appropriate University of Memphis official responsible for commencement of actions under the TUAPA as provided in Board Policy No. 1:06:00:05.
4. When an allegation involves a tenured faculty member, the same informal and formal procedures set out above shall be utilized. Tenured faculty members shall have the same right to elect hearing procedures as set out herein. However, where the investigation results in a finding that the harassment policy was violated and the President concurs with that finding and determines that the harassment constitutes adequate cause for termination, then the matter will proceed directly to a hearing under either The University of Memphis policy for termination of tenure or TBR policy 5:02:03:00.

A. In accordance with local, state and federal laws and with University Regulations promulgated in accordance with the Tennessee Board of Regents policy, students are prohibited from unlawfully processing, using, selling, manufacturing or distributing illicit drugs on University owned or controlled property. Also, students are prohibited from possessing, using, selling, manufacturing or distributing alcoholic beverages on University owned or controlled property.
   - At off-campus University sponsored (funded) events, students are prohibited from unlawfully possessing, using, selling, manufacturing or distributing illicit drugs. Alcohol shall not be abused by those of legal drinking age, nor used, possessed or distributed by those who have not attained drinking age.
   - Additionally, students are prohibited from being under the influence of illegal drugs or alcohol while on University owned or controlled property or while attending any University sponsored (funded) activity.

B. Under the laws of the state of Tennessee, a person convicted of the unlawful possession, use, or distribution of an illicit drug or alcohol may face a fine ranging from fifty dollars ($50) to $500,000 and may face imprisonment ranging from thirty (30) days to sixty (60) years. Dependent on the offense and its classification, the fine and imprisonment may vary but will be within the limits noted. Descriptions of the offenses and sanctions listed are located in the Tennessee Code Annotated (T.C.A.) in section 39-17-401 through 427 and in sections 40-35-101 through 504.
   Under the laws of the United States, a person convicted of the manufacture, distribution or possession of any controlled substance may face a fine of up to $100,000 and may face imprisonment of up to one (1) year for Schedule V drugs, and a fine of up to $400,000 and life imprisonment for Schedule I drugs. Dependent on the offense and its classification (according to the schedule of the drug), the sanction may vary but will be within the limits listed above. These sanctions are doubled when the offense involves either (i) distribution or possession at or near a school or **college campus** (emphasis supplied) or (ii) distribution to persons under 21 years of age. Additional sanctions include civil fines of up to $10,000 for simple possession and loss of eligibility for federal benefits. Descriptions of offenses and sanctions are located in the United States Code (U.S.C.), title 21, sections 801 et seq.

C. The use of illicit drugs or alcohol may result in a variety of health problems. Excessive use of alcohol, for instance has been shown to result in damage to the heart and liver; impairment of brain activity, digestion and blood circulation; impairment of judgment, memory and motor skills; and ultimately may lead to death.
   - The use of illicit drugs has been shown to cause organic damage, impairment of physiological processes, and impairment to mental functioning. Risks of contracting hepatitis, AIDS and other infection increases when illicit drugs are injected. The use of illicit drugs may also lead to death.

D. The University of Memphis students have access to a wide variety of drug or alcohol related counseling/assistance programs, both on and off campus. On campus services, which are entirely free to students, include the Center for Student Development's Psychological Counseling Unit, the University's Health Center and the Department of Psychology's Counseling Services (Psychological Service Center). For more information on campus based services, contact the Center for Student Development at 678-2067.
   - Off campus programs to assist the substance abuser range from groups dealing with addictive behaviors - such as Alcoholics Anonymous - to full service, in-patient programs operated by local hospitals or health-related concerns. These programs may be contracted either directly or through referral

by The Center for Student Development; although, none are operated with the assistance of the University.

E. Violation of University Policy as stated in Section A above will result in disciplinary action being taken against the responsible student. A violation may result in a sanction ranging from a simple warning and referral for treatment to a full suspension or expulsion from the University and may also result in referral for prosecution by local, state or federal authorities. For a more detailed view of the disciplinary process, see the Student Handbook section on student discipline ("Code of Conduct") or contact the Office of Judicial Affairs at 678-2298.

CRIME AWARENESS AND CAMPUS SECURITY ACT OF 1990

1. The University of Memphis Procedure No. 2D:06:01A provides that all suspicious and/or criminal activity should be reported to the Department of Public Safety, which is open 24 hours a day. Reports of such activity may be made in person to a member of the Department of Public Safety at the office (155 Administration Building), to any Officer on campus patrol, by telephone (678-4357 or MSU-HELP), or from any campus emergency telephone located at various sites across campus and in the lobbies of most academic buildings.
2. The campus and facilities of The University of Memphis are restricted to students, faculty, staff, guests and invitees of the University, except when all or part of the campus, its buildings or facilities are open to the general public for a designated time and purpose. Individuals loitering on campus without a legitimate purpose as specified above are issued trespass warnings and directed to leave campus; failure to comply with the warning will result in arrest.

   The main lobbies of residence halls are open from 7:00 a.m. to 12:00 midnight each day. After midnight, the residence hall lobbies are restricted to student residents and Residence Life staff. Visitation hours are established by a two-thirds majority of the residents of each individual hall at the beginning of each Fall semester. In any case, visitation hours may not exceed 12 hours (12:00 noon to 12:00 midnight) on weekdays and 14 hours (12:00 noon to 2:00am) on weekends. For more information concerning the residence hall visitation policy, consult the Residence Hall Application Reservation brochure available in the Office of Residence Life and Visitor Information Center.
3. The Department of Public Safety employs 30 commissioned peace officers. University Police Officers attend a basic police academy and an annual in-service training program in conformance with the requirements of the Tennessee Peace Officers' Standards and Training Commission. The University Police Officers' commission authorizes them to enforce state law on campus and on contiguous streets, and to investigate crime occurring on campus or against the University.

   Students are encouraged to promptly report crime and suspicious activity through various crime awareness and prevention programming sponsored by the Department of Public Safety and the Division of Student Affairs, including New Student Orientation and Residence Life programming. Students are further encouraged to report criminal activity as outlined in various University publications, including the Student Handbook and the Campus Safety and Security brochure.
4. The Department of Public Safety and the Division of Student Affairs sponsor on-going programming on crime prevention and safety awareness. Programming includes skits, videos, self-defense presentations and discussions presented to various student organizations and groups, resident students, and new students during orientation. This programming, as well as literature published by the University, encourages students to adopt safe behaviors and attempts to foster a sense of personal responsibility for safety among all members of the campus community.
5. The Memphis Police Department is notified of all felony crimes that occur on campus. Any sexual assault of a university student that is reported to the Department of Public Safety is also reported to the Memphis Police Department, whether the offense occurred on or off campus. The Tennessee Bureau of Investigation is also notified of any criminal activity deemed to be of special interest.
6. The sale, consumption or possession of alcohol or illegal drugs is prohibited on the campus of The University of Memphis and at any University sponsored student activity. Violators of this policy are subject to arrest and disciplinary action by the University. Further information regarding the University's policy on alcohol and drug use is contained in the Student Handbook in the sections entitled "The University of Memphis's Position on Drug and Alcohol Use", "Residence Life", and "The Code of Student Conduct" and in this schedule of classes.
7. No person, other than law enforcement officers when in the discharge of their official duties, may possess a weapon on premises owned, operated, managed, or under control of The University of Memphis. This exclusion includes individuals who have obtained permits to carry concealed weapons from the State of Tennessee or any other entity.

The University of Memphis - Statement of Mission

The University of Memphis is a member of the State University and Community College System of Tennessee and is governed by the Tennessee Board of Regents. As an urban university, The University of Memphis provides a stimulating academic environment for its students, including an innovative undergraduate education and excellence in selected research areas and graduate programs. The academic environment extends beyond the campus boundaries to encompass the entire community.

Education is enhanced through exposure to diversity in the composition of the student body, faculty, staff and administrators; including women, minorities, individuals with disabilities and various age groups and religions. The University has responded to the challenging responsibility of being located in a culturally diverse region by developing a unique blend of teaching, research and service that contributes to the growth of the Mid-South region.

Teaching brings the benefits of scholarship and research to students and through them to the people of the area. The University of Memphis asserts that excellence in teaching traditional and non-traditional

students is its central responsibility. A comprehensive undergraduate education, grounded in the arts and sciences, develops intellectual, cultural and ethical qualities in its students. The innovative General Education Program challenges students to develop the analytical and critical skills necessary for lifelong learning. The University of Memphis offers master's and doctoral degrees in selected graduate programs as well as degrees in the major professional areas. Through learning begun at The University of Memphis, graduates compete in the global intellectual community in which they live.

As a research university, The University of Memphis develops, integrates, disseminates and applies knowledge. Faculty maintains ongoing programs of basic and applied research or creative activities appropriate to their disciplines. The University's urban environment provides a rich opportunity for research and creative scholarship, and for the use of that scholarship in the intellectual and cultural development of the region. The University's commitment to fostering a research and creative environment harmonizes with the other aspects of its mission.

The University of Memphis fulfills its outreach mission through its contributions to professional organizations and to the needs of the community. The University promotes intellectual, cultural and community development through, for example, its artistic programs, lecture series, technical assistance, continuing education and intercollegiate athletic programs.

The University of Memphis, through its research, teaching and outreach roles, responds to individual needs, such as the support of health care and preventive health services. The University addresses broader issues as well, for instance, K-12 education, economic development, environmental initiatives, international programs, computing and telecommunications.

PARKING REGULATIONS

The U of M Parking Office is located at 3918 Central Avenue. Office hours are Monday - Thursday, 7:00am - 6:00pm, and Friday, 7:00am - 4:30pm. Please note: Hours may differ during U of M's student registration periods. Contact the Parking Office at 678-2212 for specific operating hours.

Campus Traffic and Parking Regulations are available in the Parking Office, 3918 Central Avenue, the Office of Judicial Affairs, University Center, and the Visitor's Information Center located at the corner of Patterson and Central.

Every vehicle parked on campus property must have a parking permit (hangtag) properly displayed. Parking meters have been placed in parking lots around the University for the use of visitors. Parking permits (hangtags) are permanent and are designed to hang from the inside rearview mirror post but may be transferred to a replacement vehicle when the registered vehicle is not available. A temporary parking permit (hangtag) must be purchased from the Parking Office when you forget to transfer the regular hangtag. Parking permit fees range from $19 - $200 based on the level of parking desired. **If you lose your hangtag, a replacement fee of $10.00 will be charged. A lost or stolen permit (hangtag) must be reported to the Parking Office.** For additional information, telephone the Parking Office at 678-2212.

Parking lots are Priority (gate access), Reserved, General, Resident, or Visitor. All University owned streets are reserved for Resident or Visitor parking. A parking sign is erected at the entrance to each lot and University owned street indicating the use of that lot or street.

Priority (gate access) lots have a limited number of spaces. These spaces are sold for either day or evening use and a parking space is virtually guaranteed. Applications for gate access parking are available in the Parking Office or in the Fee Payment Center during registration. Resident students may charge resident parking fees on their university account during dorm check-in. Resident gated access costs $21.00. Non-gated access costs $14.00.

Vehicles must be parked within parking spaces delineated by white lines. Improperly parked vehicles may be towed at owner's expense. The issuance of a parking permit (hangtag) does not guarantee a parking space on University property. The inability to locate a legal parking space does not diminish the responsibility to park in accordance with University parking regulations.

Visitor parking is provided in spaces where parking meters are installed in various locations around campus or in the Parking Garage located at Deloach and Norriswood Streets. Visitor Parking Permits (hangtags) are available at the Parking Office or Visitor Information Center for a fee of $1.00 per day. These permits allow parking at metered spaces without additional payment or in the General parking lots. The Visitor Information Center is located at Patterson Street and Central Avenue and the Parking Office is located at 3918 Central Avenue.

Garage parking is available Monday through Friday at Deloach and Norriswood streets. Garage parking is $.50 per hour or a daily rate of $2.50. Parking permit (hangtag) holders may be provided a discount on the all-day rate.

University Police officers, parking assistants, faculty members, or staff employees are not empowered to allow anyone to violate the traffic and parking regulations. Storing articles of value (including radar detectors) in parked automobiles is discouraged. However, if articles must be left in an automobile they should be placed out of sight and/or located in the trunk. The University of Memphis does not assume responsibility for loss of personal property.

Motorists may obtain assistance or information from any campus officer on patrol or by calling 678-4357 (MSU-HELP), or by using any emergency telephone located at various sites across campus and in the lobbies of most academic buildings.

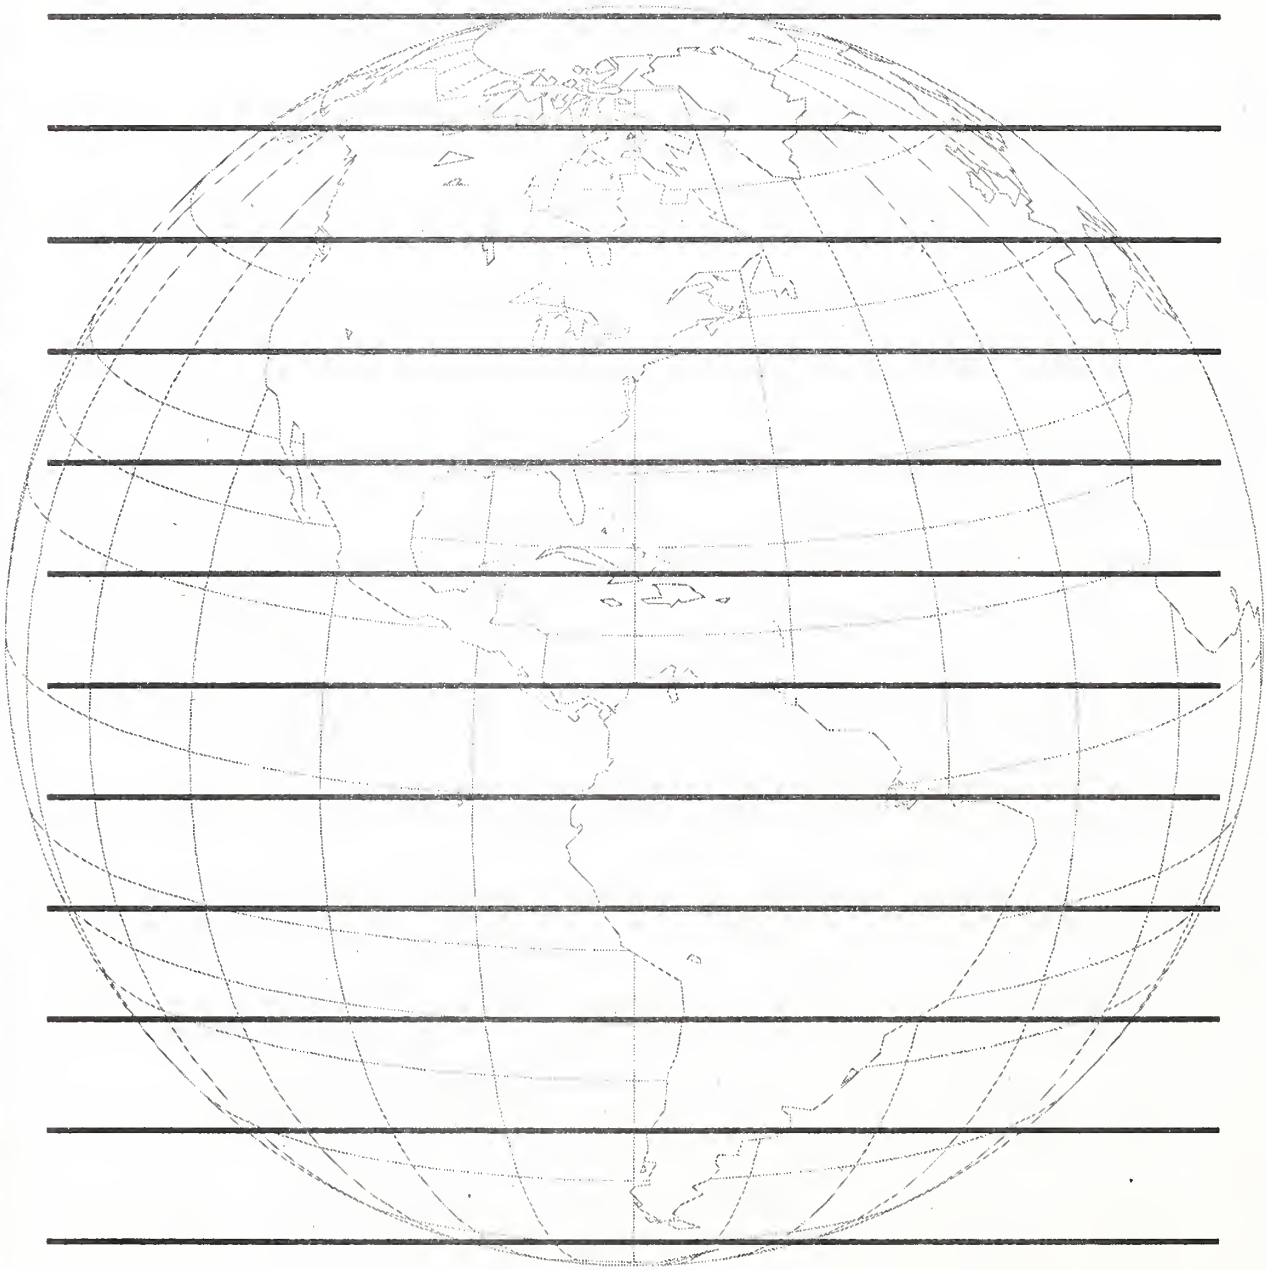
NOTES



SUCCESSFUL INTERVIEWING TIPS

DO

- ☺ Research organization before the interview
- ☺ Examine employer's reputation
- ☺ Think of your potential service to the employer
- ☺ Be prompt, neat, and courteous
- ☺ Follow procedures
- ☺ Act naturally
- ☺ Ask relevant questions
- ☺ Listen to the other person
- ☺ Allow the employer time to speak
- ☺ Evaluate objectively
- ☺ Make yourself understood
- ☺ Present informative credentials
- ☺ Carry out promises

DON'T

- ☹ Arrive late for an interview
- ☹ Come unprepared or frazzled
- ☹ Freeze or become tense
- ☹ Present an extreme appearance
- ☹ Wear heavy fragrance
- ☹ Become impatient
- ☹ Become emotional
- ☹ Talk too much or too little
- ☹ Oversell your case
- ☹ Extend the interview unnecessarily
- ☹ Make elaborate promises
- ☹ Try to be funny
- ☹ Unduly emphasize starting salary
- ☹ Forget to thank employer for their time

BEFORE THE INTERVIEW

ASSESS YOURSELF. Know your strengths and weaknesses before you walk in the door. Never expect an employer to tell you where you might fit in an organization; you should already know. *Hint: Dwell on strengths. Downplay weaknesses. You might cite your weakness as perfectionism, and have it perceived as a strength.*

READ EMPLOYER LITERATURE. You should have some knowledge of company policies, employment opportunities, products and services. Look for a chance to interview to communicate what you know.

VERIFY THE PARTICULARS. Find out the exact time and place of the interview. Arrive at least five minutes early. There is no excuse for being late - ever! Learn the interviewer's name, correct pronunciation, and title.

DURING THE INTERVIEW

SELL YOURSELF. Illustrate your personal qualities and strongest abilities with examples from your past. Do not just answer the question. Try to address any underlying questions you think the employer might have about your suitability for the job.

BE POSITIVE. You will create a better impression by being honest and candid. If the recruiter asks about shortcomings, explain circumstances rather than giving excuses or blaming.

NON-VERBAL COMMUNICATION. Sitting up straight will make you appear poised and confident throughout the interview. What you wear communicates a message. Think conservative. Nervous hands and feet are distracting.

ASK MEANINGFUL QUESTIONS. What are the responsibilities of the job? Is training provided? Is advancement possible? Does the job involve travel? What individuals will I work with most? How is job performance measured?

AFTER THE INTERVIEW

FOLLOW-UP. Provide credentials, references, or transcripts requested by the prospective employer as soon as possible. Be sure to write down the name, title, and address of the recruiter. You must send a brief typed letter of appreciation for the interview opportunity.

RECYCLE

Reuse grocery and shopping bags or buy a canvas bag that can be used for groceries, clothes and many other newly purchased items.

Many glass jars or plastic bowls with lids can be used to store food or other household items after they are thoroughly washed. When buying items at the store, compare containers to see which one you will be most likely to reuse.

Donate any unwanted household items or clothing to charity. There are many charities that will pick up used items at your home. Check in your local yellow pages for listings in your area.

Donate used reading material (magazines, books, etc.). Some hospitals, nursing homes and schools will accept donations of this sort.

Try to buy products in bulk. As well as being a good way to help protect the environment, it can also be a less expensive way to shop. When buying products in bulk, you reduce the excess packaging and containers that make up approximately 50 percent of domestic garbage.

Avoid buying packaging that can't be recycled.

Install low-flow shower heads and faucets in your home. By doing this, you dramatically reduce the amount of water that is used by your family.

Check into your local curbside recycling program or look up the nearest recycling center in the yellow pages.

Rinse out all plastic, glass and cans before recycling.

Stack all newspapers together and put in a paper bag or tie with a string.

All paper products should be sorted by color and make sure to remove all of the sticky notes, staples and paper clips before recycling.

Separate plastics after rinsing by the number on the bottom of the container.

Remove all metal, plastic and lids from glass containers before recycling. Then sort by color of glass.
